FOR IMMEDIATE RELEASE:

DUCK ... DUCK ... GOOSE!

The Elegant Style and Whimsical Design Of This Gooseneck Faucet Turns Bathing Time into a Delightful Game!

(Spring Creek, New York - November 30, 2005). Children - and the young at heart - will delight and adults will reminisce upon seeing the Gooseneck Faucet from Watermark Designs. The unique design tags the entertaining storybook theme to make this faucet not only beautiful, but a delightful conversation piece as well.

You'll have kids flocking to the bath when they see the Swan Bar Faucet from Watermark Designs. Elegance and whimsy combine to produce a truly unique bath fitting that is fun and functional. Kids will love to see the water spray from the swan's mouth while washing up. Mom's will love the fact that kids enjoy washing up.

The Swan Single Hole Bar Faucet features a gooseneck design and optional swan head. This is great faucet choice for bar sinks, vanities and unique basin applications (as shown). All Watermark products have been inspired by leading architects and designers which explains the unique looks and exciting design features. The Watermark products are not only extremely functional but they are unique, one-of-a-kind artistic expressions.

The swan faucet is shown in PVD Brass with perfume handles (other handle options available). The faucet features solid brass construction and the valve housings are machined from solid brass not casting. You'll feel proud to know this beautiful faucet was made in the USA and comes with a Lifetime Warranty on the valve and finish. The PVD Brass Warranty also includes labor, the only such warranty in the industry.

The Swan Gooseneck Bar Faucet also has a coordinating bath lavatory fitting, tub/shower fitting, wall mount tub set, shower sets, deck mount tub sets, bidet, tank lever, and even a matching kitchen sink faucet. An entire collection of bath accessories accompanies this wonderful faucet look. Choose from a variety of towel bars, glass shelves, tumbler holder, soap dish, robe hook, paper holder, and towel ring. Watermark even offers a matching vanity mirror, shaving mirror and cabinet knobs for a complete bath look. When it comes to a coordinated bath suite ... Watermark Designs has you covered.

The Swan Bar Faucet is available in 35 electroplated or enameled finishes. Because Watermark manufactures and plates all of their faucets in-house, their craftsmen can create whatever your design calls for ... in style or finish.

This faucet joins an already unique collection of Watermark products. From the simply elegant to the dramatically exotic, Watermark offers a full line of beautiful faucets, bath accessories, lighting fixtures, decorative hardware, vanities, mirrors, bath furniture and soon fixtures to create a complete bathroom look.

For bath fittings and accessories that are remarkably beautiful yet extremely functional, contact Watermark Designs today. We have everything you need for a beautiful bath!
