FOR IMMEDIATE RELEASE:

BATHROOM COUTURE - THE "TIFFANY" TOUCH!

Watermark's Tiffany Lavatory Faucet Combines Timeless Design With Fresh Ideas.

(Spring Creek, New York. January 28, 2007) Nothing makes a home your own like adding a designer touch that defines your style. Epitomizing luxury, design genius, exclusivity and expert craftsmanship, the new Tiffany widespread lavatory faucet from Watermark Designs is very aptly named. Those with the most discriminating taste will appreciate the high level of functionality and bold scale of this "Tiffany touch" in their bath.

Far more than just a faucet, this incredible Watermark design innovation symbolizes superior American refinement and sumptuousness. The rhythm of the elegant multifaceted detail carries through from the graceful spout to the sculpted handles. Do away with the expected and express yourself through exceptional design as you select the Watermark faucet and handle style that appeals to you. The Tiffany faucet is available in 35 rich finishes with handle options offered in several interchangeable styles including Houston, Phoenix, Detroit, Noble, Diamond, Ribbon, Provincial and Regal. And as always, all Watermark faucets are backed by a lifetime warranty on valves and finishes.

The Tiffany collection includes single handle wall mount, single handle deck mount and tub and shower sets. With coordinating fixtures available, creating a bath with Watermark's complementary bath products lets your imagination be your only limitation. The Tiffany faucet retails from \$637 to \$832 depending on finish. Pictured here is the Tiffany faucet with Emporium handles in a Antique Copper finish (Model 204-2-U5) that retails for \$832.

The Tiffany design family joins an already unique collection of Watermark products. From the simply elegant to the dramatically exotic, Watermark offers a full line of beautiful faucets, bath accessories, lighting fixtures, decorative hardware, vanities, mirrors, bath furniture and fixtures to create a complete custom look.
