Shown here is Model # 84-557P, one of 19 spectacular styles. Measuring 19" tall by 7.125" deep, this pull-down kitchen faucet features a dual spray. Each model in the collection is available in standard finishes of Polished Chrome or Satin Nickel and ranges in style from a single lever contemporary to a remote handle and side spray Victorian. This particular piece is at much at home in a SoHo loft as in a South Hampton summer estate. An unexpected interplay of form and texture find spheres and rectangles flirting with coils and conical elements... making an unequalled and enviable statement.

Also shown is the user-friendly Model # 78-557PM, featuring a magnetic handspray that easily attaches to the hook, to avoid scratching. It also has a dual spray pattern, allowing you to switch back and forth between regular flow and spray with ease.

Choose from 35 stunning finishes and select the handle style that creates your desired look. Watermark offers nearly 100 optional handle trims. The 84-557P model ranges from \$1,138 in polished chrome to \$1,445 in satin nickel. Model 78-557PM ranges from \$829 in polished chrome to \$1,130 in satin nickel.
